Dear All,

It is with great sadness that I write to inform you that I am leaving The Valleys Medical Partnership. From September 2021 I will no longer be part of The Valleys. As some of you will be aware I have been absent from work for some months and unfortunately the time has come for me to retire.

I came to Gosforth Valley Medical Practice in 2005 as a fresh-faced Junior Doctor ready to embark on General Practitioner training. I fell in love with the Practice and never left! 16 years later and I still feel the same. Serving the people of Dronfield has been an absolute honour and privilege. I will carry with me the kindness, generosity and encouragement that you have shown to me and the many happy, fulfilling memories will sustain me.

The Valleys Medical Partnership work tirelessly with the aim of excellent quality patient care at the heart of everything. It will continue to be the best advocate for you that it can be. I am proud to have been part of this amazing team.

I wish you all the best and will miss everyone dearly.

I will end with the words of one of my favourite authors, Charley Mackesey.

"Nothing beats kindness, it sits quietly beyond all things"

Goodbye and sincerely, Thank you.

Dr Rebecca Belfitt
